MEMO ENDORSED

Re: *Mannouris v. Saul*, No. 20 Civ. 9790 (AT) (BCM)

Dear Judge Moses:

This Office represents the Commissioner of Social Security (the “Commissioner”), the defendant in the above-referenced action, which the plaintiff brought pursuant to 42 U.S.C. § 405(g) to appeal the Commissioner’s decision to deny his application for Social Security disability benefits.

I respectfully write to request, with the plaintiff’s consent, a 60-day extension of time for the Commissioner to file the certified administrative record in this case, from March 15, 2021, to May 14, 2021. The extension is needed due to delays in preparing the certified administrative record due to temporary workplace changes implemented by the Social Security Administration in response to the COVID-19 pandemic. These changes have significantly impacted the operations of the Social Security Administration’s Office of Appellate Operations and materially affected its ability to prepare certified administrative records and to obtain transcriptions of hearing recordings from private contractors.

The plaintiff does not object to this request, and this is the Commissioner’s first request for an extension of time in in this case. I thank the Court for its consideration of this request.

Application GRANTED. SO ORDERED.
